## **TASTE THE DIFFERENCE FRESH BREAD MAKES!**

*Specialty Sandwiches from  
Great Harvest Bread Co.  
of Holladay*

*We believe that the best way to make a sandwich is to start by baking a fresh loaf of the best possible bread.*

*That's exactly what we do here at our bakery everyday. We get up early in the morning to grind our own carefully selected Montana wheat flour. We then mix that flour with nothing more than water, honey, salt and yeast. We give plenty of time for the dough to develop before we shape each loaf by hand. One of our expert bakers then bakes the loaf to precise golden brown perfection. The aroma of fresh bread fills the bakery. Only then are we ready to create your sandwich!*

*Ingredients are specially chosen to meet the quality of our bread. You can choose between one of our enticing specialty selections or opt to create your own. Whatever your pleasure, we know you will enjoy the delicious difference that fresh bread makes. Thank you for having lunch with us today! Don't forget to let us know if we can further help you with any of your catering needs.*
